# An overview of the benefits at your disposal

**Our Mission:** To maximise our client's profits through constantly providing leading value, innovation and premium product support in the portable power equipment market.

## New Zealand Owned & Operated

### **We are Kiwis Helping Kiwis.**

Our gear is sourced, specified and developed with a focus on NZ market requirements.

### **100% Family owned**

From the managers, through to the junior members, we are easy to talk to and readily available to listen and discuss your business needs

### **Established in 1974**

We have a wealth of knowledge and are constantly evolving to ensure our existence is sustained for the future.

## Extensive Stock & Warehousing

### **Extensive Warehouse Facilities**

Facilities in the North & South Islands, ensure prompt delivery times and minimal disruptions from weather events or restrictions often experienced in our country

### **10 Year Spare Parts Guarantee**

To ensure confidence in our brands and helps you to keep customers for life.

## Knowledgeable & Experienced team

### **Friendly Customer Service & Sales Teams**

Our friendly customer service team are customer focused and take ownership to provide you with the best solution. Our sales team back this up with exceptional product and industry knowledge available at any time.

### **Superior Training**

Training is fully embraced by our team and they are passionate about sharing their knowledge with customers. We have dedicated training facilities and can provide 'on-site' or VC training where required.

*Euroquip HQ Product Training Facilities*

# Innovation & Global Sourcing Excellence

## Innovation Does Not Happen Automatically

To bring you the latest technologies, we have a dedicated team constantly sourcing, testing, developing and perfecting products to ensure you can lead the market.

## Diverse Supply Chain

Our diverse supply chain (USA, Korea, Germany, Italy, Vietnam, Malaysia, China, and more!) is essential to ensure continuity of supply. A value highlighted by recent global events impacting supply chains.

## Quality Is Our Priority

When sourcing products quality is our priority. This is represented in a slogan by one of our top brands (Kranzle) "Better Perfect... Than Cheap!". While we won't always be the cheapest, we will always be the best value.

## Superior Marketing & Sales Support

### We are Passionate About Marketing

At Euroquip marketing shines through as our passion. As marketing is essential to keeping your sales pipeline full, and customers engaged, we have a dedicated team to provide you with all your needs, including Graphic design, digital assistance, SEO, Print media, signage and displays.

### Active Marketing Research

Marketing research is a key part of getting the best ROI from your sales and marketing efforts. Our team are extensively active in this on a weekly basis. We are willing to engage and share this information to help you succeed.
