

TURBO AIR LLC

COMPRESSED AIR SUPERIORITY

WORKSHOP SERIES

V-TWIN BELT DRIVE COMPRESSOR

The TURBO AIR TA12 leads the pack in the portable belt drive compressor market, with features that are the envy of many full professional units. The TA12 is ideal for those compressed air tasks around the home and home workshop and in set up to run off a standard 10A 230V power supply.

Cutting

Nailing

Die Grinding
