12V Cordless Tig Tungsten Grinder/Cutter Kit

STG12

- Cordless 12V lithium-ion operation for portability
- Precision grinding for improved TIG arc control
- Adjustable grinding angles from 10° to 25°
- Variable speed control to suit tungsten condition
- Built-in tungsten breaker for contaminated electrodes
- Compact size suited to site work, fabrication shops.
- Generic USB C type charging
- Diamond grinding wheels designed for long service life
